

Pappas Telecasting Companies' 'donation' of hundreds of thousands of dollars in FREE airtime to Republican candidates in certain areas is an outrage and a major abuse of its position.

Audiences should be offered genuine debate -- not disingenuous offers to "purchase" an equal amount of response time.

Pappas uses the public airwaves free of charge and is obligated by law to serve the public interest. It is NOT in the public interest to air only one side of an issue, especially when it is done specifically to influence votes....regardless of which candidate you are siding with!

Pappas' actions are legally questionable and make me believe that you care nothing for the public interest....otherwise you would offer and broadcast EQUAL time to the opposing candidate for FREE.

I feel they are misusing their position, and should either be forced to provide equal time for both candidates or have their license REMOVED immediately for betraying the public trust and best interest.

Thank you,
